

Mass Tort

JND provides a full suite of mass tort administration and lien resolution services. Our team has the experience and expertise to manage client intake, screening, and retention; medical record retrieval and review; Plaintiff Fact Sheet preparation including a unique online website offering; claims and settlement administration; lien resolution; and disbursements.

✓ INTAKE, SCREENING, & RETENTION

JND provides outreach and screening services in multiple languages. We bolster the efforts of our communications team with website, email, and mailed communication; all of which results in the maximum qualified retention rates.

✓ MEDICAL RECORD RETRIEVAL & REVIEW

JND's technology allows for easy receipt of hundreds of thousands of medical records that are tied to claimants' files and queued for review. JND's reviewers and nurse consultants carefully review medical records to evaluate and isolate case related injuries apart from pre-existing and unrelated health issues. All notes and summaries are carefully documented in our intuitive management system.

✓ PLAINTIFF FACT SHEET PREPARATION

JND provides a streamlined program for timely completion and submission of plaintiff fact sheets (PFS). JND's medically knowledgeable staff handles outbound and inbound calls, while our proprietary PFS website allows claimants and counsel to complete forms online. Interested stakeholders can view and file their information online in a secure manner.

✓ CLAIMS ADJUDICATION & SETTLEMENT ADMINISTRATION

JND's management team has handled the settlement administration of some of this country's largest and most important mass tort settlements. JND provides pre-settlement consultation and assists in designing all aspects of the case administration including the protocol (development of allocation criteria and allocation calculators), claims filing, appropriate noticing, and timeline development.

✓ LIEN RESOLUTION

JND's lien team provides a full-service solution for its clients. We handle the entire lien resolution process, including benefit verification; Medicare, Medicaid, Military and Private lien assessment, audit and negotiation; and satisfaction of final lien obligations.

✓ DISTRIBUTION

JND provides comprehensive escrow services, Qualified Settlement Fund management, tax reporting, and settlement benefit distribution in multiple currencies and money methods.
