

CLASS ACTION

JND delivers the most reliable and comprehensive legal administrative resources and services available to our clients. Our team has handled some of the most complex class action settlements in the country's history.

PRE-SETTLEMENT CONSULTING

We begin by consulting with clients on how to develop allocation methodologies and design efficient, economical roadmaps for settlement administration while providing support prior to and at the preliminary approval stage.

NOTICE PROGRAM

Effectively notifying class members is key to the approval of your settlement. We advise our clients on effective notice best practices and are experienced in preparing class lists from various sources. Management of the entire CAFA Notice process for Defendants is handled by our team with our proprietary database of officials who need to be notified. Our notice mailing and emailing services utilize creative options to maximize effectiveness and reduce costs, while our advertising team comprises experts handling all media publication needs including print, digital, TV and radio, while obtaining the best rates.

CLAIMS PROCESSING

Our professional staff is trained to process even the most complex claims with efficiency and accuracy and we are expert at preparing claim forms to ensure class comprehension and complete claim form submission. Proprietary databases efficiently capture claim form data as well as accurate and flexible reporting; and with our proprietary online claim submission sites, we can provide secure submission and reduce overall complexity. Knowing each case is different, we offer customized reporting to provide a variety of perspectives on the data that our clients may have not considered.

BENEFIT DISBURSEMENT

JND manages all aspects of the settlement fund, including opening disbursement accounts, reconciling accounts, establishing a Qualified Settlement Fund (QSF), filing tax returns, and serving as Escrow Agent. Even the most complex benefit allocation methodology is implemented and applied to individual class members. In addition, we manage tax reporting for settlement disbursements, including the issuance of tax statements, such as W-2s and 1099s, to class members. JND routinely issues payments in the form of checks, wires, PayPal, Venmo and debit cards.
