JND's team of Legal Notice Experts have extensive experience creating and implementing innovative notice programs that effectively reach class members, inform them about their legal rights and options, and allow them time to easily respond.

SERVICES

JND's results-driven approach (i.e., the right audience, receiving the right message, in the right environment, at the right time) is designed to fulfill the specific needs of your notification effort. A program designed by JND provides certainty of notice adequacy, assuring courts that class members are provided their due process rights.

EXPERIENCED CONSULTANTS

Consult with JND before you file to combat issues that could arise down the road, often resulting in delayed approvals and costly revisions.

CLASS LIST CREATION & MEMBER INQUIRY SERVICES

To help class members make informed decisions about participation, we create a toll-free number for each project, and can produce and maintain a website tailored to your case's needs—from an information-only site with downloadable forms to one accepting online claim submissions.

EXPERT OPINION & TESTIMONY

JND's team of experts are qualified based on the standards set forth in Daubert and Kumho. Our experts provide clearly written expert declarations and affidavits and will testify in Court, as needed.

INNOVATIVE NOTICE PLANS

JND's proposed notice program may include mail and email notice, when applicable, print, radio, television, outdoor, digital, and social media, as well as a third-party outreach effort, among other things. Our proposed media mix will depend upon our in-depth analysis of the specific case situation and class member demographic and media usage.
